Introduction

The Sindh Fisheries Department was established after disintegration of One Unit and creation of four provinces during 1969-70 and it was given under control of Director, Agriculture Sindh, with a technical head as Assistant Director Fisheries on Provincial basis, with his head quarter at Hyderabad.

During 1972 Agriculture Development Corporation was dissolved and its all officers were directed to join their parent departments.

During 1974 a post of Director Fisheries Sindh was created with its head quarter at Karachi.

In 2000 the re-structuring of department was took placed and Fisheries Department divided in to two wings one Inland Section, headed by Director Fisheries Sindh (Inland) Hyderabad, and other Research & Development at Karachi

○ District Fisheries Offices

Introduction of Sections under Supervision

Following sections are under the supervision of this Directorate.

1. Inland Fisheries – Conservation & management & Enforcement of fisheries Ordinance of public water areas.
2. Training & Extension – Awareness, education, skill development, technical guidance to the farmers, fishermen and In service personnel.
3. Planning & Development – Preparation, implementation, monitoring of development scheme.
